[Ananda Kanan Summer Retreat, 2017](#)

Namaskar, Dear Brothers and Sisters!

You are invited and welcome to participate in the annual summer conference at Ananda Kanan. This time a special emphasis will be given to Neo-Humanism – in theory, emotionally, spiritually, and practically. Our Loving Guru Ba'ba' declared, "Neohumanism is humanism of the past, humanism of the present and humanism – newly explained – of the future. Explaining humanity and humanism in a new light will widen the path of human progress, will make it easier to tread. Neohumanism will give new inspiration and provide a new interpretation for the very concept of human existence. It will help people understand that human beings, as the most

thoughtful and intelligent beings in this created universe, will have to accept the great responsibility of taking care of the entire universe – will have to accept that the responsibility for the entire universe rests on them.”

Come and join us, and bring the wonderful dynamism of Neo-Humanism into your heart and daily living as your mind expands and merges with the flow of this spiritual program. Satsaunga, Kiirtan, Seva, Sattvik living, Duty, Seminar – a few of the treasures awaiting you at Ananda Kanan. This event will help you, your family and your community with its gravity-boost, propelling your role, forward and upward, in serving all living beings, and in serving the Atman at your very core. Let us move together towards this historic and special event bring Neo-Humanism to life, for all.

Yours brotherly,

Ácárya Diiptimanánanda Avadhúta
