

Same day two programs in West Plains, NY and Long Island

Ananda Marga monks were special guests at the Gathering of Lights meeting in Long Island. Acarya Abhiramananda Avadhuta and Acarya Vimalashananda Avadhuta assisted to a beautiful spiritual program featuring interfaith songs and drum performances. Ananda Marga Universal mantra Baba Nam Kevalam was presented on stage and all participants joined in chanting and dancing together. Everybody felt a very strong spiritual vibration which remained for the entire program till the end. Special thanks to all the spiritual leaders present with their devotional feeling and warm love.

In the same day in the morning Acarya Abhiraamananda Avadhuta and Brahmacarinii Vaeragya Acarya together with LFT Tanmaya participated to an Akhanda Kiirtan organized by Sister Nirainjana in West Plains and attended by several Margi and families from around NY State.

The activities in New York are on the surge as more classes
