

Seminar in Gatineau, Canada

On March 25, an Ananda Marga Seminar took place in Gatineau (Quebec), from 9 am to 5 pm. The venue was the Cabane-en-Bois-Rond, a very beautiful place. We were altogether nine persons (including 2 children). We were able to cover all three topics: "The Intuitional Science of the Vedas-1", "Gurusakasha" and "Theory and Practice". Classes were given in the French language. Brother Iishvara was particularly inspired and is looking forward to future seminars; and has offered to help more and more in organizing them.
